**Caterers** are invited to tender for concessions; this is because of the volume of applications we receive each year. If you are not familiar with the process of tendering, please see the concessions mentioned earlier in this document and categorise your business.

You would then tell us what you would like to offer above this amount – the success of your bid depends not only on the price offered, but what service you can provide for that price. If your bid is successful, this application will form a part of your trading contract.

All caterers must use biodegradable packaging when serving food.

**All Caterers will be asked to pay a 'litter bond' before the event. Full refund of this will be given only if the pitch area is left undamaged with no rubbish and STRICTLY NO FOOD WASTE SPILT ON THE GROUND**

**All traders:** If your application is accepted you will be sent confirmation along with a contract and invoice. Payment terms must be adhered to or your pitch will be offered to someone else.

Charges for electric must be paid for along with your pitch fee (also 'canvas shop unit' hire cost – if needed).

Pitch fees (only) are VAT free – all cheques to be made payable to '**London Borough of Ealing**'. Payments should be made as soon as you receive your invoice.

Furniture and electric cable hire fees will be payable in cash on arrival to the site. Equipment **MUST** be pre-booked.

It is essential that you give accurate information, especially regarding the size of your pitch, as we cannot give more space than is booked on this form. Pitches will be allocated within the designated market areas only.

Early applications and payments are highly recommended to secure your pitch. Either way your form must reach us by **July 1<sup>st</sup> 2009 AT THE LATEST.**

Failure to pay prior to arriving on-site will result in refusal of entry unless arrangements have been discussed with Ealing Council's representative. **Anyone owing money on arrival will be dealt with LAST.**

Each application is subject to approval by both the London Borough of Ealing, and Hounslow Environmental Health and Trading Standards Department.

Applications for promotional or exhibition stands from large corporate companies are invited to contact our sponsorship manager, Mr Harbinder Singh Rana on 07795 095037.

You must read the Terms and Conditions of your contract carefully.

All information you need to know should be contained in this application, however, if you have any further queries, call blue on 07966 192369 – Please keep calls to a minimum

## **PLEASE READ ALL OF YOUR PAPERWORK**

This application will form part of your contract and so requires your signature to show that you fully understand the information contained within it.
